MEMORANDUM FOR THE RECORD

Morning Meeting of 23 February 1967

DD/I reported back to the Director on his findings concerning the Director's questions on a possible problem with the University of Pennsylvania provost and on a contact problem. (See Action 1)

DD/I discussed a request from Jeffrey Kitchen for a preliminary Agency opinion on military aid to Finland.

Godfrey noted that, judging by rumors, something is up in Uganda. According to the last report the situation is now quiet, but OCI is watching it carefully.

Godfrey called attention to indications of a running debate in the Soviet press on the capabilities of the Soviet ABM program.

In reply to a question Godfrey said it appears that Sukarno will be a figurehead president and that he will visit Tokyo shortly.

Kent reminded the Director that the East African Estimate was taken off the agenda for today's USIB meeting.

Bross briefed the Director on the ABM paper on the USIB agenda. The Director said he will talk further with Bross on this before the meeting.
